

# Like to be at the centre of things, pulling the strings?

## Help us to fulfill our customer needs!

Are you looking for a job which offers variety? One with real responsibility that allows you to work both directly with clients as well as alongside our internal team? Are you un-afraid to dive into project content and truly understand the detail of what drives our customers? Do you have a talent for B2B marketing and communication, and experience working in an agency?

You could join our **Stuttgart based** team as a

### Project Manager/Account Executive

and spend a typical working day (for example);

- Meeting a customer to take a briefing, then preparing a suitable quote and project plan
- Managing our internal team to create and deliver your project, acting as the customer's voice
- Simultaneously managing multiple projects – being the one orchestrating their success

#### About the role

We're a full service technology marketing agency which thinks globally. It's our mission to optimize marketing for companies which live and breathe technology.

Every day, we help our customers to overcome their communication challenges within various organizational areas: R&D, Sales & Marketing, and Communications. You would help us with:

- Customer contact and account management
- Project management, including management of internal project delivery teams

#### About you

We're interested in a Project Manager/Account Executive who:

- Has minimum of 3-5 years experience in project management in an agency
- Can handle several projects at once
- Maintains a healthy balance between the big picture and the small details (just as important!)
- Has a "hands-on" approach
- Speaks fluent English and has a higher degree in Marketing / Communication
- Lives in the Stuttgart area (max. 35 km from Stuttgart)
- Has a full driving licence + car
- Is someone who enjoys working in a B2B environment and understands technology
- Shows intellectual curiosity as well as an interest in developments within business and marketing
- Can deliver professionally and accept and learn from feedback
- Can collaborate with customers to offer them the best

possible solution and an outstanding experience

- Professional fluency in German and/or Dutch is an advantage

#### About KPUNKT

Customers love us because we understand their business, their markets, and their challenges. That's earned us a reputation as a vendor and partner who can deliver the right creative solution on time. And we love our customers back. Because they trust us with their business needs, their budgets, and ultimately, their brand. It's extremely rewarding and inspiring work.

KPUNKT is an environment where you're appreciated for the person you are, the ideas you bring, and the energy you invest. We're an international team of around 20 people representing eight nationalities. Our offices are located in Stuttgart and Eindhoven, but our customers hail from all over the world.
