

Your creative visual concepts inform and inspire. That's why our B2B clients need you!

We're looking for a **Creative Designer** to join our Eindhoven team

Do you love to find eye-catching visual solutions to creative challenges?

**Are you ready to grow and develop professionally with a dynamic team,
and to work creatively across a broad range of projects and media?**

If so, we'd be very excited to meet you here at KPUNKT!

Does this sound like you?

- 3+ years of professional experience in creative design
- Proven skills in design and conceptualization, preferably in a marketing agency
- Deep Adobe Suite expertise (InDesign, Photoshop and Illustrator)
- A great eye for detail and passion for graphic design, illustration, typography, color, composition and story rhythm/flow
- A great understanding and feeling for storytelling and design
- Fluent written and spoken English skills
- A proactive mindset, ready to suggest and adopt new ideas
- Can work independently, reliably and in a structured way – but also a natural team player
- Can collaborate across roles to brainstorm, design and create new concepts
- Able to translate briefings into compelling visual content
- Able to meet tight deadlines and multi-task

Here's what we offer you:

- 24 - 40 hours per week, working remotely or at our Eindhoven office
- Competitive salary
- A creative working environment and the chance to shape your role within our studio team

Sound good? Apply now to careers@kpunkt.net and tell us what would make you a good fit for what we do and how we work. For more info, visit www.kpunkt.net.

About KPUNKT

KPUNKT is a strategic B2B marketing agency with an eye on technology and a passion for healthcare and life science. We're here to support our technology-driven clients at every step of the marketing journey – from consulting and conceptualization to planning and execution. And we believe in the power of long-term relationships. Our success is grounded on deep understanding of our clients' needs – their technology, mission and vision, and way of working – as well as how their customers and audiences tick.
