

# Let's help our clients bring their B2B visions to life!

We're looking for a **Motion Graphic Designer**  
to join our Eindhoven team

**Do you love to tell stories in a compelling visual way? Are you ready to grow and develop professionally with a dynamic team, and to work creatively across a broad range of projects and media?**

**If so, we'd be very excited to meet you here at KPUNKT!**

## Does this sound like you?

- 3+ years of professional experience in motion design and video editing working on 2D (3D knowledge/experience is nice to have)
- Proven skills in animated video, live-action scenarios and interviews, preferably in a marketing agency
- Deep Adobe Suite expertise (After Effects, Premiere Pro, Photoshop, and Illustrator)
- A great eye for detail and passion for graphic design, illustration, typography, color, composition and story rhythm/flow
- A great understanding and feeling for storytelling and design
- Great spoken and written English skills
- A proactive mindset, ready to suggest and adopt new ideas
- Can work independently, reliably and in a structured way – but also a natural team player
- Can collaborate across roles to brainstorm, script, design and storyboard new concepts
- Able to translate briefings into compelling visual content
- Able to meet tight deadlines and multi-task

## Here's what we offer you:

- 24 - 40 hours per week, working remotely or at our Eindhoven office
- Competitive salary
- A creative working environment and the chance to shape your role within our studio team
